Name (print)_____

Asgn # _____1_____   Due ___Thursday Jan 29___

Dr. Kaminski - you have my word that:

1. I <u>wrote this entire application myself</u> in accordance with the guidelines in the course policies & syllabus and university policies of what's considered acceptable student academic conduct. Any code (longer than a couple lines) used in this assignment which was created by someone else (even if changed slightly) or was written jointly with someone else is both clearly attributed (in a comment in the code) and described here on the BOTTOM OF THIS COVER PAGE.

2. The <u>program code</u> attached here **did** actually <u>produce the data file</u> which is attached here.

3. There was <u>no editing of the data file(s)</u> after the attached program produced it/them (except perhaps the font, font size and/or page-orientation for printing).

Signature _____

Final score for asgn is 0.8 * output Points + 0.2 * programming Points which comes out to: _____

(you can calculate this)

-------------------------------- for GRADER (below) ------------------------------------

_____   OUTPUT (Log.txt especially, and also IndexBackup.txt) - on a scale of 0-100

_____   PROGRAMMING - on a scale of 1-100
